

## PERSONS OF NOTE

There are thousands of people buried at St Mary's Cemetery. In March 2000 Bob Moulder compiled a list of "Persons of Note" buried at St Mary's Cemetery. He wrote a short biography of each person explaining what they had achieved that made them notable; this is stored in the St Mary's Cemetery Office.

Below is his list of Persons of Note. If you would like to have a name added to the list please contact the office to discuss.
